## ALPHABET

## INSTRUCTIONS

- i. Find each "letter" of the alphabet *in their natural state.*
  - This means you cannot take a picture of a letter that is being used in a sign, door, window - you get the idea
  - Half of the "letters" are to be found outside
  - Stay within your neighborhood
  - You can only use the found "letter" once. *Eg:* If you use a hose for a certain letter, you can only use a hose once
2. Edit your photos on your phone: crop, play with the filters, rotate the image(s)
3. With your "letters", form 4 words with at least 5-6 letters in each word
4. Submit your words to Canvas
